

CERTIFICATE COURSE

IN

PIPING ENGINEERING

Conducted by
Department of Mechanical Engineering,
Don Bosco Institute of Technology, Mumbai

III. Course Content:

Module1.	General & standards in piping Engineering
Module2.	Piping Commodities, Valves, special items
Module3.	Line Sizing
Module4.	Piping Drawing
Module5.	Plot plan, Equipment layout, Pipe rack, Tank farm
Module6.	Piping Layout
Module7.	Piping Materials
Module8.	Pipe Supports
Module9.	Stress Analysis
Module10.	Project Planning

III. Course Details:

1. Course Duration: **120 hours**
2. Course Dates : New batch starting from 1st October 2018
3. Course Fees: **INR 15000 + GST For DBIT students**
INR 20000 + GST for other students

Pay by: **Cash, or Cheque (Payment Details will be provided at the time of registration)**

***Payment can be done on the day of Registration (Preferable), or on the first day of the course. However kindly note that since the number of entries are limited, the admission will be granted on 'First come First serve' basis, subject to early payment of Fees.**

4. Registration Details:

Kindly contact the faculty in-charge for registration.

Last date: 1st of October, 2018, 2:30pm

*Meet the Faculty In-charges personally or message Name and mobile number to them.

5. Course In-charge:

- **Dr. N. M. Rao** – Piping Engineering Expert, Over 10 years of Industry Experience in the field of Piping Engineering, Heat Transfer, CFD, Guided many PhD Students and several publications in reputed Journals and International Conference Proceedings
contact details – phone – 022-25040508 Ext. - 234,
email – muralidhara.dbit@dbclmumbai.org

- **Mr. Mahesh Rajwade** – Piping Professional, 5 years of Academic+ Industry Experience in the field of Piping Engineering, worked multinational companies as Piping Detailer
contact details – phone – 022-25040508 Ext. - 262, mobile - +91-9619696499, email – mahesh.dbit@dbclmumbai.org
