The session was conducted by ISHRAE DBIT STUDENT CHAPTER and ISHRAE faculty Advisor, Prof. Cleto Pereira. The lead for the event was taken by Ms. Prajakta Patil (Treasurer) and Ms. Simran Ahiwale (Women's Chair) along with the rest of the council. The session was conducted online and was open for all branches of DBIT institute. The session came to be an interactive, at-home event with an informative experience. The idea behind organizing this event was to hold an activity during this online mode, which will help the female students of all branches discover new things and experiences about the alumni post degree.

As the session continued, we had Ms. Anuranjini Komban asking questions to Ms. Sheena Fernandes about her journey in DBIT as the former president of ISHRAE and the general secretary of our college, what are her future plans and how did she manage everything all together. Next MS. Bhagyashree Ingle shared her amazing experience of working at L&T industry , the difficulties she faced and the training and placement process with Ms. Dixita Yadav and everyone who were attending the session.

The session was very enthusiastic and interactive with the alumni giving a piece of advice to the girls who strive to be like them. The event continued with a Question and Answer session.
