The next game was skribble (drawing the word given) for which we had surprises for the winners. The next fun game was Dumb charades wherein a person enacts the words of a chosen movie and the other participants have to guess it. The person enacting cannot speak or point to a particular object.

Lastly, the event took an end by cutting a cake and celebrating the importance of women's in our lives and a song recital by Mr. Bhavesh Wallecha.
