

## **GATE Study Circle**

### **Don Bosco Institute of Technology**

#### **Department of Mechanical Engineering**

GATE is a prestigious all India examination administered and conducted jointly by the Indian Institute of Science (IISc) and seven of the Indian Institutes of Technology (IITs) on behalf of the National Coordination Board – GATE, Department of Higher Education, Ministry of Human Resource Development (MHRD) and the Government of India.

The valid GATE score of the candidate is also used by several public sector undertakings (PSU) (i.e., government-owned companies like Indian Oil, GAIL, and Hindustan Petroleum, SAIL, GAIL, BPCL etc.) for recruiting graduate engineers in entry-level positions, to get Fellowship Programs from CSIR and Scholarships in ME/M.Tech and many more.

Department of Mechanical Engineering is in a process to start the training for GATE examination tentatively from July 2020 (First Online and then classroom coaching) as a part of capability enhancement program to benefit the students. This will be a structured programme and to be conducted in a professional way.

#### **Course Details:**
